Dive into the CSB English for IT Certification Exam

If you work in a diverse classroom, or with ESL students, this week's webinar is one you won't want to miss.

The Communication Skills for Business (CSB) English for IT exam validates a candidate's ability to work in an IT setting or in an entry-level IT job using English.

This Wednesday, January 12 at 3 PM ET, we'll be going into all the details for this new CSB addition. Learn about the certification, and what curriculum and practice test resources are available.

Help Your Students Build the Best Resumes with James Boshier

Students shouldn't leave their CTE programs without a polished and professional resume. It's impossible to transition to the workforce without one. Building a resume can require some handholding and lots of advice.

Continued...

In this episode, James Boshier, of Resume Library, gives advice on building and polishing the best resume, what students should know about cover letters (spoiler alert: they're on the way out), and how candidates should conduct themselves in a job interview. He also talks through all the resources that Certiport candidates have access to when they're ready for the job search.
