CSB English for IT Exam Coming Soon!

English Proficiency Is Instrumental To Succeeding In IT

COMMUNICATION SKILLS FOR BUSINESS

LEARN MORE

Employers around the world are demanding English proficiency and are rewarding employees with English skills. According to a report by Cambridge Assessment, companies provide faster progression through job grades, salary increases, and more senior roles to employees with English communication skills.

That's why we're thrilled to announce the newest certification in the Communication Skills for Business portfolio: the CSB English for IT certification.

This Week, on the Podcast

Creating Unique Pathways for Your Students with Serge Treyger

What are your students' dream jobs? Maybe cybersecurity, drone programming, web development, and video game design? With those destinations in mind, what are the directions to get there?

Continued...

Serge Treyger, Broward County Public School's Career and Technical Education Curriculum Facilitator, shares how initiatives and partnerships with the business sector in his district, and industry recognized certifications created pathways to student success.

He will show how career and workplace learning opportunities are built through business and industry partnerships. Find out how you can give students a clear road map to follow their passions and achieve career success.
