Social-Emotional Learning in the CTE Classroom with Dr. Damien Sweeney

Career and Technical Education is all about helping students find a meaningful and fulfilling career pathway that aligns with their skills and passions. But before students can discover what they want to do with their lives, they need to discover who they are. That is where social-emotional learning comes into play.

Continued...

In this episode, we sat down with Damien to learn about what social-emotional learning is, why it matters, and why CTE classrooms are perfectly poised to help students find a place to belong and discover who they are.

CSB English for IT Exam Coming Soon!

A promotional banner with a dark orange background on the left and a white background on the right. The orange section contains the text "English Proficiency Is Instrumental To Succeeding In IT" in white, with a small white plus sign in the top left and three white dots in the bottom right. A white circle is centered at the bottom of the orange section. The white section contains the Communication Skills for Business logo and a red button with the text "LEARN MORE".

English Proficiency Is Instrumental To Succeeding In IT

COMMUNICATION SKILLS FOR BUSINESS

LEARN MORE

Employers around the world are demanding English proficiency and are rewarding employees with English skills. According to a report by Cambridge Assessment, companies provide faster progression through job grades, salary increases, and more senior roles to employees with English communication skills.

That's why we're thrilled to announce the newest certification in the Communication Skills for Business portfolio: the CSB English for IT certification.

Microsoft Office Specialist (MOS) Efficacy Report Highlights

To make sure we're offering candidates an effective measure of their skills and knowledge, we collaborated with the team at Pearson to dive into the efficacy of the Microsoft Office Specialist certification program. We wanted to answer the big question: Does Microsoft Office Specialist certification reliably validate candidates' Microsoft Office skills?

Is MOS Certification Reliable?
