NEWS UPDATE

March 17, 2022

Kicking Off Month of Microsoft 2022

Month of Microsoft is back for an extended stay in 2022! From Monday, March 21st to Friday, April 29th, Certiport will host our second annual Month of Microsoft, an immersive online professional development experience for technology educators. Get exposed to the power of Microsoft and Microsoft education, learn more about Microsoft's portfolio of certification programs, and get tips for teaching Microsoft latest applications and technologies in your classroom.

Tips and Tricks for Using Autodesk AutoCAD and Revit in the Classroom

Engineering and manufacturing job candidates need to be prepared with relevant skills, such as Autodesk AutoCAD and Revit, to successfully enter a dynamic workplace.

If you are looking for new ideas for teaching AutoCAD or Revit in the classroom, then we have good news. On March 22nd at 4 PM ET, we're hosting a special professional development webinar for engineering and design educators with Massachusetts educator Greg King. You won't want to miss Greg's expertise and practical advice for success in the classroom.

Professional Development? Yes Please!
