## It All Starts with IC3 Digital Literacy

---

No matter what industry your students pursue, digital skills are a prerequisite for success. IC3 Digital Literacy certification is a great starting point to building the digital skills students need to succeed in the workforce. Join our final IC3 Academy webinar on July 28th at 4 PM ET to learn more about the full IC3 pathway, and how past candidates have used IC3 to jumpstart their career.

## My Microsoft Certification Journey

---

As an educator, you never want your students to miss out on potential opportunities, and certification helps increase skills and confidence, allowing them to grab each new opportunity with gusto.
