Ready to Dive in with Adobe and Certiport?

October wouldn't be the same without Certiport's Adobe Certified Professional Academy! From Monday, October 4 to Friday, October 29, Certiport will host the second annual Adobe Certified Professional Academy, an immersive online professional development experience for creative educators.

Get exposed to the power of Certiport's Adobe Certified Professional pathway, learn from industry creatives about the future of the industry, and get trained on how to level-up the skills you teach in your classroom.

Missed the PMI Fall Intro?

Earlier this month, Certiport hosted an educational webinar to discuss how you can introduce your students to project management. In the webinar, we discussed:

- The importance of project management education in high school
- How to get started with project management
- Project management resources for teachers

Missed it? No fear, we have you covered.

This Week, On the Podcast

Building the Bridge Between the Classroom and the Workforce

EPISODE 17: BUILDING THE BRIDGE BETWEEN THE CLASSROOM AND THE WORKFORCE WITH DENISE SPENCE

✓CERTIFIED CERTIPOINT EDUCATOR PODCAST

Most high school students can't say their after-school job is Network Administrator, or Systems Administrator. But not all students are lucky enough to learn from Denise Spence.

Cont...

In this episode, Denise shares why and how to build a bridge between classrooms and the workforce. Denise gives her advice for how to create a business advisory board, what efforts teachers can make today to connect with local businesses, and how the bridge between her classroom and the workforce has impacted her students.
